MARCH 2013

TSLP STANDARDS BASED INSTRUCTION (SBI) ACTION STEPS

Standards-Based Instruction Action Steps Kindergarten to Grade 5

Full Implementation of the Standards-based Instruction Module ensures that consistent literacy expectations and standards guide instruction within the comprehensive, campus-based literacy program.

SBI1. Provide PD to ensure instructional staff understand current state standards: PK Guidelines, ELAR / SLAR Standards, ELPS, CCRS.

SBI2. Analyze literacy core program/ curriculum to determine how current state literacy standards are addressed .

SBI3. Determine appropriate sequence and pacing of grade-level ELAR / SLAR Standards and Reading TEKS within the literacy core program/ curriculum.

SBI4. Utilize an integrated literacy core program/curriculum composed of the additional supplemental materials identified in SB2 and the pacing guide(s) developed in SB3.

SBI5. Develop and implement a school-wide, systematic approach to incorporate academic vocabulary (words that influence achievement) across all content areas.

SBI6. Develop and implement a school-wide, systematic approach to incorporate writing across all content areas.

SBI7. Develop and implement a school-wide, systematic approach to provide multiple opportunities for students to read independently at their instructional level.

SBI8. Develop a school- wide, systematic approach to support family literacy meetings.

TLI Highlights

A Focus on Comprehension

BISD continues to lay the foundation in March by modeling, monitoring, and collecting evidence of both instructional routines and cognitive strategies.

How the world's best-performing school systems come out on top.

(Mckinsey & Company,2007)

There are broadly four approaches high performing school systems to help teachers improve instruction, create awareness of weaknesses in their practice, provide them with a precise knowledge of best practice, and motivate them to make the necessary improvements.

- ◆ Building practical skills during their initial training.
- ◆ Placing coaches in schools to support teachers.
- ◆ Selecting and developing effective instructional leaders.
- ◆ Enabling teachers to learn from each other.

BISD has provided the following Professional Development trainings:

Supporting Infant & toddler Oral language Development (O—SE)

Reading with Purpose & Think/Turn/Talk (PK-12)

Listening Comprehension & Fluency (PK– 2nd)

Cognitive Strategy Routine & Making Connections (3rd—12th)

TLI Summit Outcomes

Campus Selected Targeted Leadership Action Step

SELECTION OF BISD TLI LEADERSHIP ACTION STEPS

L2 Develop and monitor a campus wide Data Informed Plan	A	B
L3 Include a preventive reading model within the DIP that identifies students in need of intensive immediate intervention		
L6 Establish a coaching model aimed at fulfilling the goals of the campus-wide DIP	C	D
L7 Provide ongoing instructional leadership on evidence-based literacy instruction		
L10 Implement an online Professional Learning Community	Full with Fidelity	Reflective Sustainability

At the TLI Summit, participants were asked to make a decision on which Action Step they would be targeting at their prospective campuses for the remainder of the year. This decision was based on the information provided in their Implementation Map and their DIP. Teacher Specialists will take the lead in this endeavor by providing ongoing status communication between their Administrative team and the TLI District Director on a weekly basis.

Reading is...

...the product of decoding (the ability to read words on a page) and comprehending language (understanding those words).
