

MYCSCOPE 3RD LEARNING PLATFORM

The new site will provide an array of features and interactive functionality. During this presentation, you will learn a brief description of the four major sections of the new CSCOPE system.

MyCSCOPE (www.mycscope.us)

CSCOPE

Targeted Success with **Quality** Curriculum

Welcome to the
new CSCOPE site.

HOME SCREEN

The screenshot shows the CSCOPE Home Screen. At the top left is the CSCOPE logo. To the right, there is a user profile section with a small avatar, the text "Hello, Benjamin!", and a "Log Off" link. Further right are links for "system management" and "help". Below this is a navigation bar with four tabs: "Standards", "CSCOPE", "My CSCOPE", and "Tools". The main content area is split into two columns. The left column features a large image of a teacher and students, with a blue banner overlay that reads "Targeted Success with Quality Curriculum". The right column is a dark blue sidebar titled "Quick Search" with a magnifying glass icon. It contains a search description, two dropdown menus for "Grade Level" and "Subject Area", and a red "Search" button.

STANDARDS TAB

WITHIN STANDARDS, USERS CAN VIEW, BROWSE, SEARCH, OR DOWNLOAD THE TEXAS ESSENTIAL KNOWLEDGE AND SKILLS (TEKS), PRE-KINDERGARTEN GUIDELINES, TEXAS COLLEGE AND CAREER READINESS STANDARDS, AND ENGLISH LANGUAGE PROFICIENCY STANDARDS.

STANDARDS TAB

The screenshot shows the CSCAPE website interface. At the top left is the CSCAPE logo. To its right is a user profile section with a small icon, the text "Hello, Benjamin!", and a "Log Off" link. Further right is a search bar with a magnifying glass icon. Below the logo and search bar is a navigation bar with four tabs: "Standards" (highlighted in red), "CSCOPE", "My CSCAPE", and "Tools". Under the "Standards" tab, there are four sub-links: "View Standards", "Browse Standards", "Search Standards", and "Download Standards". The main content area is titled "View Standards". Below the title is a paragraph of text: "From this search tool, you will be able to view the Texas Essential Knowledge and Skills (TEKS), the Prekindergarten Guidelines, the Texas College and Career Readiness Standards, and the English Language Proficiency Standards." Below this text is another paragraph: "Select criteria from the menus below to view the standards." There are two main form areas. The first is a "Select Standard Set:" dropdown menu with "Texas Essential Knowledge and Skills" selected. The second is a "Refine your results" section with two dropdown menus: "-- Select a Grade Level --" and "-- Select a Subject Area --".

CSCAPE Hello, Benjamin! Log Off

Standards CSCOPE My CSCAPE Tools

View Standards Browse Standards Search Standards Download Standards

View Standards

From this search tool, you will be able to view the Texas Essential Knowledge and Skills (TEKS), the Prekindergarten Guidelines, the Texas College and Career Readiness Standards, and the English Language Proficiency Standards.

Select criteria from the menus below to view the standards.

Select Standard Set:

Texas Essential Knowledge and Skills

Refine your results

-- Select a Grade Level --

-- Select a Subject Area --

STANDARDS TAB

From the Standards section you are able to view your state standards.

For Texas this is TEKS, Pre-K standards, Texas College and Career Readiness Standards and English Language Proficiency Standards.

The standards can be refined to your specific grade level and subject.

Example:

If I taught High School Math and wanted to know what the Standards for Precalculus was I would make the following selections in the refine results box and select search.

Select Standard Set:

Texas Essential Knowledge and Skills

Refine your results

High School Courses

Mathematics

Precalculus

Search [Reset Search](#)

The image shows a search interface with a 'Select Standard Set' dropdown menu set to 'Texas Essential Knowledge and Skills'. Below this is a 'Refine your results' section with three dropdown menus: 'High School Courses', 'Mathematics', and 'Precalculus'. At the bottom, there are two buttons: 'Search' and 'Reset Search'.

Now you give it a try.

Be sure to select the options that you were shown in the example.

High School Courses

Mathematics

Precalculus

Once you have made the selections hit the search button.

How did you do?

- ▣ The following information should be on your screen:

 Knowledge & Skill Statement - P.1: The student defines functions, describes characteristics of functions, and translates among verbal, numerical, graphical, and symbolic representations of functions, including polynomial, rational, power (including radical), exponential, logarithmic, trigonometric, and piecewise-defined functions. The student is expected to:

 PDF  Print  Add to My Favorites

- ↳  **Student Expectation - P.1A:** Describe parent functions symbolically and graphically, including $f(x) = x^n$, $f(x) = \frac{1}{n}x$, $f(x) = \log_a x$, $f(x) = \frac{1}{x}$, $f(x) = e^x$, $f(x) = |x|$, $f(x) = ax$, $f(x) = \sin x$, $f(x) = \arcsin x$, etc.  CSCOPE Components
- ↳  **Student Expectation - P.1B:** Determine the domain and range of functions using graphs, tables, and symbols.  CSCOPE Components
- ↳  **Student Expectation - P.1C:** Describe symmetry of graphs of even and odd functions.  CSCOPE Components
- ↳  **Student Expectation - P.1D:** Recognize and use connections among significant values of a function (zeros, maximum values, minimum values, etc.), points on the graph of a function, and the symbolic representation of a function.  CSCOPE Components
- ↳  **Student Expectation - P.1E:** Investigate the concepts of continuity, end behavior, asymptotes, and limits and connect these characteristics to functions represented graphically and numerically.  CSCOPE Components

BROWSE STANDARDS

The screenshot shows the CSCAPE website interface. At the top left is the CSCAPE logo, which includes a stylized apple icon. To the right of the logo, there is a user profile section with a small avatar, the text "Hello, Benjamin!", and a "Log Off" button. Further right is a search bar with a magnifying glass icon. Below the header is a navigation bar with four main tabs: "Standards" (highlighted in red), "CSCOPE", "My CSCOPE", and "Tools". Under the "Standards" tab, there are four sub-links: "View Standards", "Browse Standards" (which is the active page), "Search Standards", and "Download Standards".

Browse Standards

Using the browse tool, you will find the Texas Essential Knowledge and Skills (TEKS), the Prekindergarten Guidelines, the Texas College and Career Readiness Standards, and the English Language Proficiency Standards.

In this section, TEKS are arranged in the following order:

-  Subject Area
 -  Strand
 -  Knowledge and skill statement
 -  Student Expectations.

Please begin by selecting either the TEKS Subject Area or the Additional Standard Set that you wish to explore.

SEARCH STANDARDS

Select Standard Set:

Texas Essential Knowledge and Skills

Trigonometric Functions

Refine your results

High School Courses

Mathematics

Precalculus

- Select Texas Essential Knowledge and Skills in the first drop down menu.
- Type in “Trigonometric Functions” in the search bar.
- Refine your results by selecting “High School Courses,” “Mathematics,” and “Pre-calculus” in the drop-down menus below the search bar.
- Your page should now look like this.

SEARCH STANDARDS

Your search returned 3 results for Trigonometric Functions.

Knowledge & Skill Statement: P.1

Subject Area: Mathematics

Grades: High School Courses

The student defines functions, describes characteristics of functions, and translates among verbal, numerical, graphical, and symbolic representations of functions, including polynomial, rational, power (including radical), exponential, logarithmic, trigonometric, and piecewise-defined functions. The student is expected to:

Student Expectation: P.3A

Subject Area: Mathematics

Grades: High School Courses

Investigate properties of trigonometric and polynomial functions.

Student Expectation: P.3B

Subject Area: Mathematics

Grades: High School Courses

Use functions such as logarithmic, exponential, trigonometric, polynomial, etc. to model real-life data.

- After clicking on the magnifying glass, your page should look like this.
- You can now look through a few different options for resources that will aid your instruction.
- Click “Knowledge & Skill Statement: P.1”

View CSCOPE Components

The screenshot shows the CSCOPE website interface. At the top left is the CSCOPE logo. To the right, there is a user profile section with a small icon, the text "Hello, Benjamin!", and a "Log Off" link. Further right is a search bar with a magnifying glass icon. Below the logo and user section is a navigation bar with tabs for "Standards", "CSCOPE", "My CSCOPE", and "Tools". The "CSCOPE" tab is highlighted in red. Below the navigation bar, there are two links: "Search CSCOPE Components" and "View CSCOPE Components". The "View CSCOPE Components" link is highlighted in red. Below the navigation bar, the main content area has the heading "View CSCOPE Components". Underneath the heading is a search instruction: "Search for all CSCOPE curriculum, assessment, and instruction components by selecting one grade level and one subject area." Below this instruction is a "Refine your results" section. This section contains two dropdown menus: "-- Select a Grade Level --" and "-- Select a Subject Area --". Below the dropdown menus is a "Search" button.

- To access all of the CSCOPE content for one subject and grade or one course, you can use the View CSCOPE Components section in the CSCOPE tab.

View CSCOPE Components

The screenshot displays a user interface for viewing CSCOPE components. It is organized into two main sections, each with a dark blue header and a list of items below.

- TEKS Verification Document**
 - Mathematics - Algebra 1 - 6 Weeks (An arrow points to this title with the text "Click title to preview content")
 - Mathematics - Algebra 1 - 9 Weeks
- Instructional Focus Document**
 - Unit 01: The Study of Functions
 - Unit 02: Algebraic Expressions and Equations
 - Unit 03: Linear Equations, Inequalities, and Applications

Each item in the list has a small expandable arrow on the left and a red heart icon with the text "Add to My Favorites" on the right.

- ▣ You will then receive a list of your search results.
- ▣ Click on the title of any item to view the content.

MY CSCOPE TAB

- THE MY CSCOPE SECTION SERVES AS A PLACE TO STORE OR BOOKMARK THE CSCOPE COMPONENTS THAT USERS MOST REGULARLY UTILIZE FOR QUICK AND EASY ACCESS.
- ONCE A USER ADDS RESOURCES TO MY FAVORITES, THESE MATERIALS WILL BE AVAILABLE WITHIN THE MY CSCOPE SECTION AT EACH FUTURE LOGIN.
- USERS WILL ALSO BE ABLE TO CREATE THEIR OWN ONLINE FILING CABINETS FOR UPLOADING PERSONAL INSTRUCTIONAL RESOURCES.

My CSCOPE TAB

The screenshot shows the 'My CSCOPE' tab selected in a navigation menu. The interface includes a header with the CSCOPE logo, user information for Benjamin, and system management links. Below the navigation menu, there are links for 'My Favorites', 'Search District Content', 'View District Content', and 'District Resources'. The main content area displays a 'My Favorites' folder containing a single item: 'Grade 04 Mathematics Unit 01: Possible Lesson 01', which was modified on 8/1/2012 at 7:21:00 PM. A sidebar on the left shows a folder tree with 'My Favorites', 'My Bookmarks', and 'My Files'.
